Welcome Back!

To the 2020-2021 School Year

A Message From The Niagara Falls Art Gallery & Niagara Children's Museum:

First and foremost we genuinely hope everyone has remained, and will continue to remain, well during this uneasy time. The troublesome challenges we all face in this current crisis are severe and pervasive in many aspects of our lives. Our sincerest condolences go out to any who have been adversely affected and/or who have suffered loss as a result of this pandemic; please know that we are in this together and will unitedly persevere if we stand vigilant with our preventative measures and community mindfulness.

Community has always been at the heart of our programs. In terms of our services, we have implemented modifications & **increased health and safety protocols** in response to Covid-19 as well as developed new delivery methods, such as **Virtual Classes** which can aid the reduction of exposure and ease concerns. We have also, in the face of increased costs and protocols, have been able to present an **unwavering pricing system for our traditional classes, add a very cost comparable Virtual Program with materials included, and keep intact our discount pricing for those able to participate in our programs multiple times over the school year.** More information on our programs is available below.

On behalf of all our staff, we wish everyone a safe and great year. We hope that you will join us this season to continue to deliver great art based experiences for all of our students.

Sincerely,
 Dave Gilbert, Director
